It's time to see God's AWESOME art work through the eyes of children...starting now children are encouraged to take pictures of the beautiful colors during the fall season. From their pictures each child is to choose one picture they like the most. Parents then will have the picture enlarged to an 8 x 10 and submitted to Tabby Wetzel by Sunday, October 26, 2008. A panel of judges will review the photos and choose a 1st, 2nd & 3rd place winner. The winners will have their pictures published in the E-Sourcer newsletter from Western

Pennsylvania Ministries of the Church of God. There will be two age groups...preschool thru third grade & fourth grade thru sixth grade. All entries will be on display following the contest and all will receive a complimentary gift for participating. Parents are asked to assist their child but to allow them to do the majority of the picking & choosing of who, what, where...remember this is God's AWESOME art work through the eyes of children.
